The Center of Advanced Economic Research**

What do you feel about Universiade?

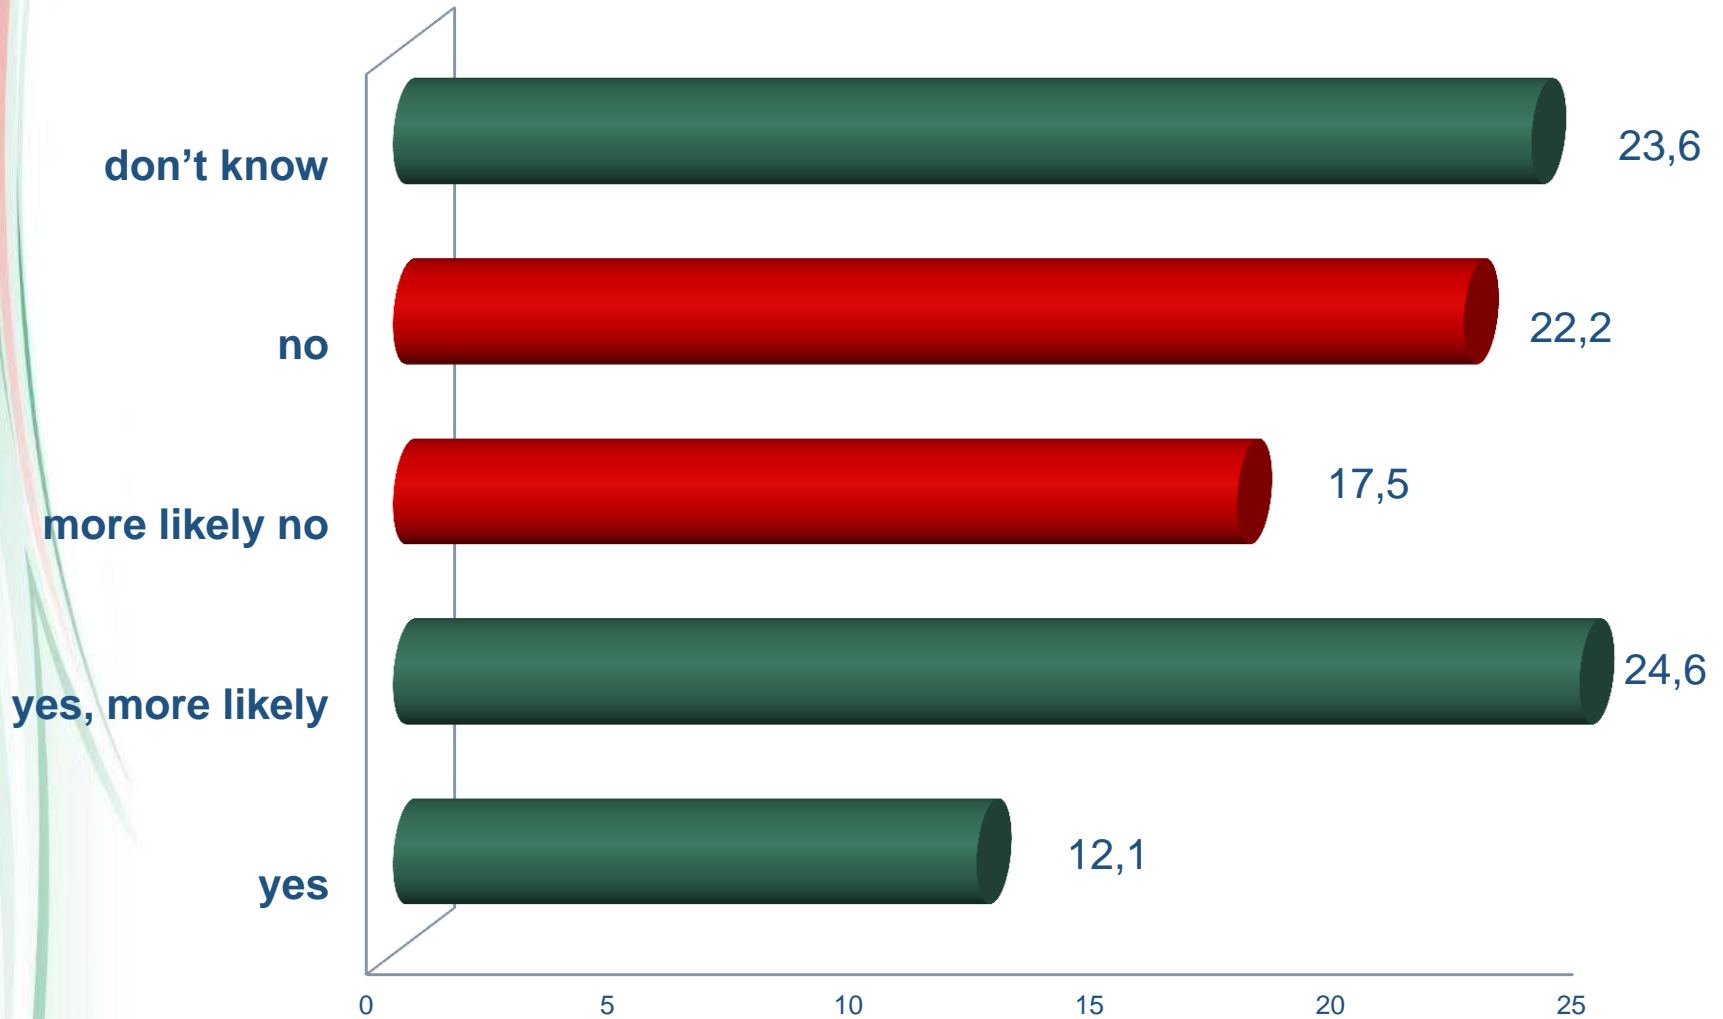

(2010, n=1065)

What do you think – whether the Universiade will be conducted successfully or not?

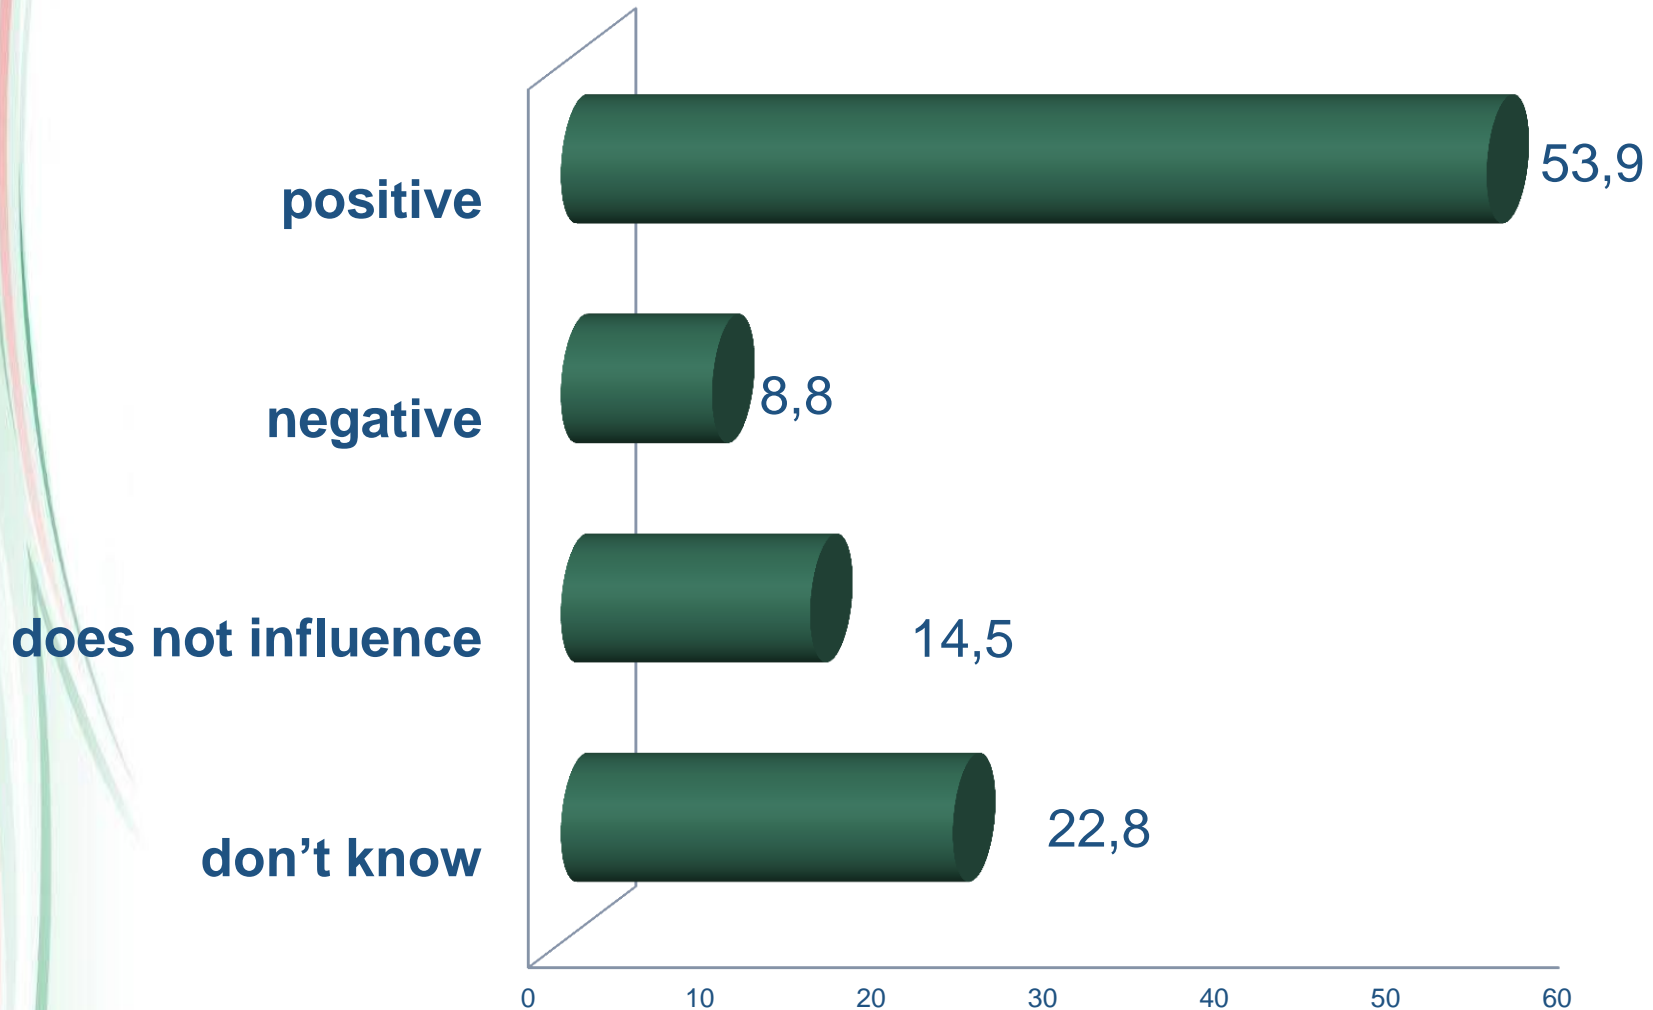

Will you attend the competitions of the Universiade 2013? (%)

Do you use facilities of *Universiade now?*

How can you evaluate the influence of the constructing of the facilities of Universiade to the architecture of the city?

Will Universiade prevent youth to move from Kazan and Tatarstan?

How it will protect from social inequality?

How people fill included to the process of creation of “big” city events?

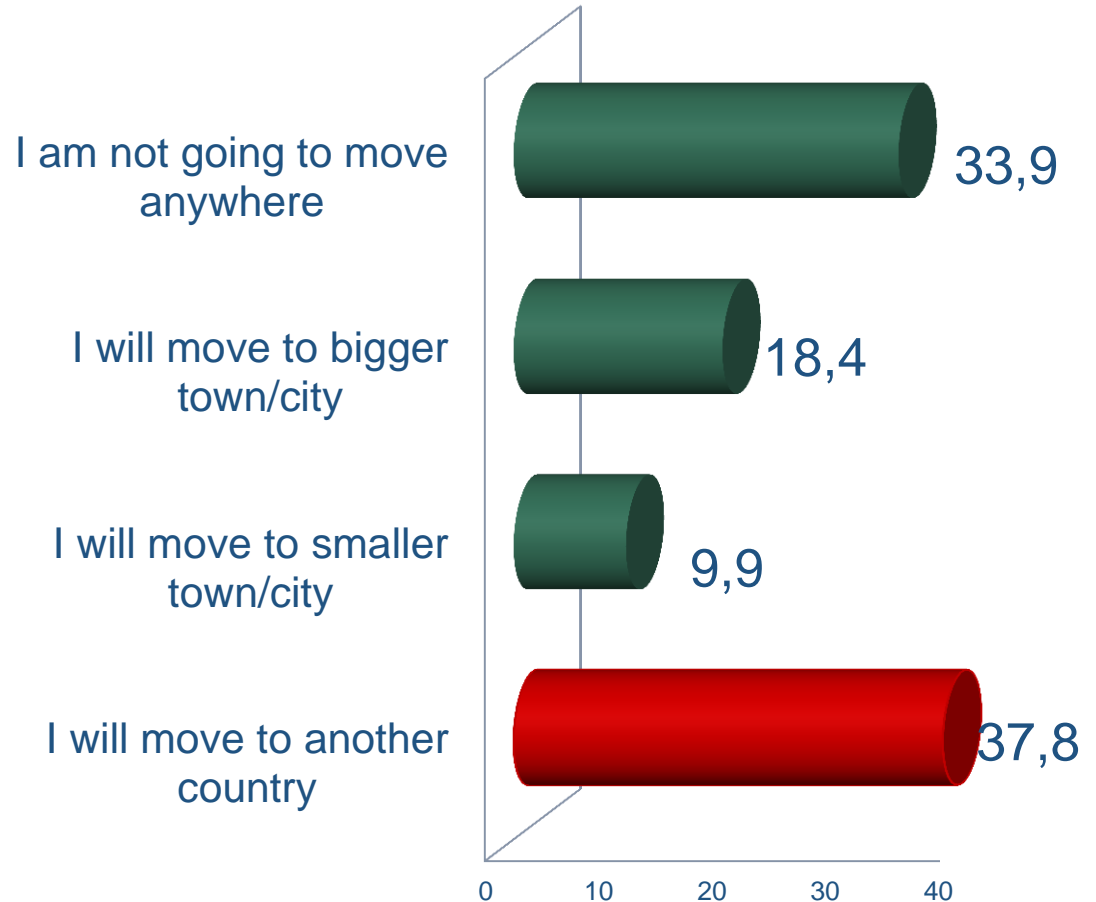

Do you plan to move to another town/city?

Why to move?

1. For the better paid job
2. To live in a better social conditions
3. To continue my education
